

# The key to stopping the spread of COVID-19 is for each and every one of you to remember to:

- Thoroughly implement basic infection prevention measures, such as **avoiding the “three Cs”**, **maintaining an appropriate distance between people**, and **wearing non-woven (fabric) masks**.
- Thoroughly **wash your hands**, use **hand sanitizer**, and **disinfect common areas**.
- Refrain from going to work or school, going out, etc., if you have even mild symptoms such as **a sore throat**.
- Only visit restaurants with the **"Kagawa Safe Restaurant Certification"**, which are stores that implement infection prevention measures thoroughly.
- When eating at a restaurant, eat in groups of **no more than 4 people per table**, for **no more than 2 hours**, and **wear a non-woven (fabric) mask** when speaking.

## We ask for your cooperation

in order to avoid infecting our beloved friends and family, and fellow Kagawa residents.

You can find more information on the current status of COVID-19 in Kagawa Prefecture by visiting our website through this QR Code.
